"Group Company" Shall mean the company, the holding company of the company, and any company which is for the time being a subsidiary of the company or of the company's holding company,

“IPR” means all forms of intellectual property rights includes:

1. Inventions, whether or not patent able, reduced to practice or made the subject of one or more pending patent applications.
2. National and multinational statutory invention registrations, patents and patents applications (including all reissues, divisions, continuations, extensions and re-examinations thereof) registered or applied for in India or other nations all improvements to the inventions disclosed in each such registration, patent or patent application.
3. Copyrights and registrations/Applications for registration thereof in India and other nations, including all derivative works, moral rights, renewals, extensions, reversions or restorations associated with such copyrights, now or hereafter provided by law, regardless of the medium of fixation or means of expression.
4. Computer Software (Including Source Code, Object Code, Firmware, Operating systems and Specifications).
5. Trade secrets whether marked or not marked as confidential, business information (Including pricings and cost information, business and marketing plans and customer/supplier lists) and Know- How (Including manufacturing and production process and techniques).
6. Industrial designs.
7. Databases and Data collections.

2. General.

- 2.1 During the period of Internship, the interns are required to work/co-ordinate directly with reporting managers and assigned team.
- 2.2 Interns shall work for five days a week, Saturday and Sunday will be your weekly holiday. However, you may be required to be flexible in working hours and work such additional hours as may be necessary for efficient performance of your duties. **No overtime payments** with respect to any hour worked by you outside normal business hours shall be payable to you.

3. Remuneration, Benefits & Perquisites.

- 3 In consideration for the performance of his/her duties under this Agreement, Intern shall be receiving **INR 15000 per month (as fixed remuneration). INR 5000 per month (as a variable component) is applicable for payout after the successful completion of the project.**
- 3.1 Leave: Intern will not be eligible for any kind of leaves during the internship period apart from the official week off and holidays given from the company.
- 3.2 Benefits: Any benefits like PF, Medical Insurance, and Gratuity will not be applicable during this internship period.

4. Confidentiality.

- 4.1 _____ shall Not, during continuance of his/her internship hereunder or at any time thereafter divulge or disclose the confidential information or copy or make list of confidential information of the group or the persons.
- 4.2 If, however _____ is required under law to disclose any confidential information, he/she shall provide the company with prompt written notice thereof so that the company may seek a protective order (with Interns 's corporation, if required) confidential treatment or other appropriate remedy. In any event, _____ shall furnish only that information which is necessary of this clause.
- 4.3 _____ May also divulge or disclose any confidential information to officers and employees of the company on a need to know basis during the course of the operations of the company and such disclosure shall not be deemed to be a contravention of this clause.
- 4.4 All records, files, documents and materials or copies thereof, relating to the company or any group company which _____ shall prepare or use or come into contact with, shall be and remain the sole property of the company or the group as the case may be.
- 4.5 _____ Shall promptly return all records, files, documents and materials or copies thereof in his/her possession to the company upon termination of his/her term with the company.

5. Duration and Commencement of Internship.

Internship period shall be for a period of 6 Months i.e. from “**25th June 2025**” to “**25th December 2025**”, which may be terminated earlier if the Intern fails to follow the Company's rules and regulations or does not adhere to standard procedure and protocols as applicable to employees, consultants, trainees, interns, and other contracted resources of the Company from time to time. Interns will be provided with an initial contract of six months, which can be further extended by another six months.

Based on performance reviews during the internship program, interns will have the opportunity to be hired as a permanent employee at SISA Information Security subject to meeting employment eligibility criteria. **A 2-year service agreement will be included along with the offer letter.**

- 6. Termination.** The Company, without cause and without liability, may terminate this Agreement by giving two days' written notice of such termination to the Consultant. The Intern may terminate this agreement by resigning through email and serving a 15-day notice period from the date of resignation.
- 7. Regularity and Punctuality.** Interns will adhere to regularity and punctuality as per rules of the Company, framed from time to time.
- 8. Restrictive Covenants.** While undergoing internship, the intern will not take up any other internship assignment, job or any other kind of vocation or business, part-time or full time, without written permission of the management.

9. Collection and usage of Personal Information. As part of the recruitment and employment process, SISA will collect, process, and store certain personal information about you. This information may include, but is not limited to, your name, contact details (such as email addresses and phone numbers), residential address, date of birth, past employment details, educational background, and other relevant data necessary for employment.

By accepting this offer, you expressly consent to SISA's collection, use, storage, and, where necessary, sharing of your Personally Identifiable Information (PII) with authorized personnel and third parties, in accordance with applicable data protection laws. The data will be used solely for legitimate purposes related to your employment, such as Background verification, onboarding, payroll, legal compliance, benefits administration, and internal reporting.

You have the right to access and correction of data during your employment. Should you have any concerns you may contact People Excellence department at any time.

10. Employment. The above internship will not create any right of employment in the Company until or unless a separate and definitive contract of employment is signed between the Parties.

The intern affixed his/her signature voluntarily and on free will and after being fully aware of all legal consequences arising from this agreement. IN WITNESS WHEREOF the parties have signed this agreement on the date, month and year written below in the presence of the following witness. The Interns are fully aware regarding the consequences which may arise from the breach of this agreement, after necessary signatures this agreement will valid ab-initio and binding.
